However, we ordered several pruning our evening but waiting times until the order, around 30 minutes are too long. It was not due to a shop that was too full, but because of the partly overwhelmed staff. Empty praise was also ignored for up to 30 minutes, despite repeated order attempts. ÄÄ only happens when every place is occupied? Everyone has a bad day, but the basics of the "waiter" should be known, so it's just wait for me. Operations.
